Long Throw From Field Cuts Off a Score at the Plate.

Rabbits Put Up Good Game But Luck Is Against Them—Wilson's Exceptional Work.

GAMES TOMORROW.

Cedar Rapids at Rock Island.
Davenport at Dubuque.
Peoria at Decatur.
Bloomington at Springfield.

Hank Walters saved the day for Rock Island yesterday by a throw from a deep field to the home plate, cutting off Berry, who was about to score. This left the score 2 to 1 and there were no runs made after that. The Islanders found themselves in a bad way in the eighth. There were two men on bases and only one out with Berte at the bat. Berry who reached first on a bad throw to first by Wilson, went to second on a passed ball. Wilson fielded one from Ball and in an attempt to catch Berry at third he dropped the ball, allowing both to safely reach their destinations. Derham fled out to Vandine, and then Berte was up. He hit a long fly to Walters, who caught it and made the throw to the plate, which was perfect, striking a few feet in front of the catcher and bounding into his hands just in time to put it on the runner.

Wilson's Fielding.

The account of that inning might put Wilson's work in a bad light, but that is no index to his activity throughout the remainder of the game. On the contrary his excellent work and coolness after his errors was a subject of much comment among the spectators. His work around first base with Lister was almost perfect. He is credited with three put-outs on that bag, and also had five assists. So while nine hits were gathered from him he was a party in 12 of the 27 put-outs, including those who were struck out by him.

Good Bunch of Rabbits.

Belden Hill has gathered together a good bunch of Rabbits, and those who saw the game yesterday are unable to see why they are being held so close to the bottom of the percentage column. They hit freely, played with only one error and the team work seems to be good. The only explanation is that they must have been up against the same kind of luck they had yesterday. One seeing that game would never imagine the distance there is between the two in the percentage of games won.

Two in the First.

Two scores in the first inning won the game for the Islanders. Carlisle was the first man up and he hit into right field. He went to second on a wild pitch. Ruby drew a pass, and Lister sacrificed, advancing both men on the bases. Sweeney hit a fly into

Rabbits Get One.

The Rabbits took theirs in the fifth. Dahlquist drew a pass and Davis sacrificed. Spencer did not see first, but Himes made a long hit into left field, scoring Dahlquist. The score:

Diamond Dust.

That was a dandy. Hank Ruby's bunt was gilded. Christy's first base covering was perfect.

Warner covers first and sacrifices like a veteran. Somehow, things do not look exactly right with Belden on the bench. Nice team work that which pulled us out of the hole in the seventh.

The Rabbits landed a man on a base every inning except in the third.

Ruby did not get a chance during the entire game. Carlisle had three and Walters one. The work was on the infield.

Sweeney's fly in the first looked like a good one, but Himes killed it. The center fielder did some good work and is credited with five put-outs.

Pa Hill may not be going very high in the percentage column, but his team is giving the spectators their money's worth. Few more interesting games are seen than yesterday's.

SMALL DOSES OF DOPE

Donnelly has released Frank Luck, the pitcher, and the Senators are now down to the limit.

Manager Hugh Nicol is not with his team at Decatur. Keep your eye on the Peoria lineup for new names.

Belden Hill can come to Rock Island just as often as he wants to. The fans are always glad to see him, not only because he is a Rock Island product as a base ball man, but because he is one of the gentlemen of the diamond himself, and has always carried a bunch of gentlemanly players.

Bloomington, Ill., June 8.—President Holland of the Three-Eye league has been advised of the signing by Davenport of Harry Reed, an outfielder, late of the Missouri Valley league; by Decatur, of John Gertenrich, an outfielder of Chicago; and G. J. Shea, a catcher of St. Louis; by Springfield of J. A. Swain, a pitcher of Louisville, Ky. Released by Springfield, Clarence Holmes and Frank Dick, pitchers.

Cedar Rapids Gazette: Henky Hines used to put Red Thiery on a diet of ginger or tobacco sauce. The little catcher is just loafing in right field, giving the pitchers no kind of support. Pa Hill would fix him in just one day for that kind of playing.

Manager Clymer, of the Louisville American association team, yesterday attacked Umpire King after being ordered off the coaching lines on his own diamond. He was carried from the grounds by a squad of police and taken to the police station in the patrol wagon.

Decatur has signed a new outfielder named Gertenbach, a Chicago amateur. He did not make a very good showing in the opening games.

LOCAL MAN WINS

Charley Olson, of Rock Island, Defeats Shorty Gamble on the Mat.

MATCH AT BURLINGTON

Takes Three Straight Falls—Arranges Go Here With Oscar Wasserman.

Burlington, Iowa, June 8.—"Shorty" Gamble met his Waterloo for the first time in his career as a wrestler last evening at the Grand opera house, when he fell a victim to Charley Olson, the "terrible Swede" from Rock Island. "Shorty" was out of his class, and though he was faster and displayed much more science than the Swede, he was powerless before the bulldog strength of his opponent. The first fall was lost by the local man after a go lasting 38 minutes and 10 seconds, and the second after 13 minutes 13 seconds. Both falls were secured by practically the same hold, a combination of an arm lock and head chancery in the first go, and a head chancery and a leg lock in the second
